

CommerceHealthcare – Thank You Healthcare Professionals: Transcript

During challenging times, it's nice to know someone is there for you. Someone has your back, will support you, is there to care for you.

CommerceHealthcare would like to say thank you to all healthcare staff and first responders for everything you have done and continue to do.

While you are supporting and caring for us, our families, and our communities, Commerce will continue to be here to support you. Just like we have since 1865.

From our team to yours, thank you.

Thank you for taking care of our community.

Thank you to all the healthcare revenue cycle teams.

Thank you to all of our healthcare professionals.

Thanks to all the healthcare workers out there for always being there, 24 / 7 / 365.
